Special study

**No study of merger, consolidation, or joint operating alternative is required**

If the district's total estimate of expenses exceeds its total estimate of revenues for any fiscal year, A.R.S. §48-805.02(D)(15) requires the district include a study of merger, consolidation, or joint operating alternative. The Fire District is not required to include a study as their estimated expenses are not greater than budgeted revenue for any fiscal year.
